Farewell & God Bless

DR. CHRISTINA FRANCIS

Dr. Francis is a board-certified OB/GYN, pro-life advocate, and CEO of AAPLOG. She has worked internationally, written for major publications, and testified before U.S. Congress on women's health and abortion issues.

MARK MOSTERT

Mark Mostert, Ph.D., is senior researcher at Able Americans, former Regent University professor, disability policy consultant, and opera enthusiast. He lives in Virginia Beach and enjoys opera and classical music.

BARBARA FARLOW

Barbara is a member of Patients for Patient Safety Canada. After the loss of her daughter Annie, born with Trisomy 13, she has worked to raise awareness about hospital safety, patient rights, and the importance of asking critical questions.

LIA MILOUSSIS

Lia is a human rights lawyer, speaker, and author of *An Inconvenient Life*. She has been advocating for life, social justice, and the vulnerable since age 12, addressing issues such as abortion, euthanasia and human trafficking.
